How are my Points calculated?

- We will calculate your Points with each eligible transaction and award (or deduct) the resulting Points, including two decimals (for example, $\$1.00 \times 1.5 = 1.50$ Points).
- We calculate and round Base and Bonus Points separately.

Base Points

- We calculate the number of Base Points you will earn with each purchase or return transaction you make.
- The transaction amount (positive or negative dollars) multiplied by your base earn rate of 1.5 Points (2 Points for travel or dining) equals your Base Points.
- For example, a purchase of $\$1.00 \times 1.5$ base earn rate = 1.50 Base Points.
- Similarly, a return of $-\$1.00 \times 1.5$ base earn rate = -1.50 Base Points.

Bonus Points

- You may earn Bonus Points based on meeting certain criteria or taking certain actions (such as enrolling in the Preferred Rewards program); details will accompany the offer.

- We calculate the number of Bonus Points you will earn with each purchase or return transaction you make, but separately from the calculation for your Base Points.
- The transaction amount (positive or negative dollars) multiplied by the bonus earn rate for that particular offer equals your Bonus Points.
- For example, a purchase of \$1.00 x .50 bonus earn rate = 0.50 Bonus Points.
- Similarly, a return of -\$1.00 x .50 bonus earn rate = -0.50 Bonus Points.

Points Rounding

- Any Points calculations resulting in more than two decimals will be rounded up to the next hundredth of a Point (for example, 1.515 rounds up to 1.52).

How do I earn Points?

- Earn 1.5 Base Points for every \$1 spent on Net Purchases (other than travel or dining).
\$1.00 x 1.5 earn rate = 1.50 Points.
- There's no limit on the number of Points that can be earned.
- From time to time, special promotions may feature the ability to earn Bonus Points; details will accompany the offer.
- Points are subject to verification.

Visit the Site or refer to your monthly billing statement to see how many Points you've earned.

How do I earn 2 Base Points for every \$1 spent on Travel and Dining Purchases?

- Earn 2 Base Points for every \$1 spent on Net Purchases made with the Card at eligible travel and dining merchants (as further qualified below).
- For example, if you spent \$100 on eligible hotel purchases, you would earn 200 Points.
\$1.00 x 2 earn rate = 2.00 Points.
- Eligible travel and dining merchants are merchants who process Card transactions using the following merchant category codes (MCCs):
 - Airlines, Air Carriers (MCCs 3000-3350, representing individual major airline carriers, and 4511-Airlines/Air Carriers)

- Lodging — Hotels, Motels, Resorts (MCCs 3501-3999 – representing individual major hotel/motel chains and 7011-Hotels/Motels/Resorts)

If I'm a Bank of America customer or Merrill client who has qualified for and enrolled in the Preferred Rewards/Preferred Rewards for Wealth Management Program, how do I earn the Preferred Rewards/Preferred Rewards for Wealth Management Bonus?

What you should know

- To be qualified for enrollment in the Preferred Rewards/Preferred Rewards for Wealth Management (formerly known as Banking Rewards for Wealth Management) Programs, you must own certain Bank of America deposit accounts and maintain specific balances in Bank of America deposit accounts and/or in Merrill investment accounts. Details are available at bankofamerica.com/preferred-rewards.
- After enrolling in the Preferred Rewards/Preferred Rewards for Wealth Management Programs, or if you are already enrolled and open a new Card, it may take up to 30 days for the Preferred Rewards/Preferred Rewards for Wealth Management Bonus to become active on your Card(s).
- If you move to a higher (or lower) reward tier, it may take up to five days for the higher (or lower) Preferred Rewards/Preferred Rewards for Wealth Management Bonus to become active on your existing Cards.
- For enrolled members who change their card type, as long as the new Card is an eligible credit card, it may take up to five days for the Preferred Rewards/Preferred Rewards for Wealth Management Bonus to become active on the new Card. A complete list of ineligible cards is available at bankofamerica.com/preferred-rewards.
- If more than one Cardholder on a Card account (Primary Cardholder and Joint Cardholder) is enrolled in the Preferred Rewards/Preferred Rewards for Wealth Management Program, the account will receive the Preferred Rewards/Preferred Rewards for Wealth Management Bonus level based on the Cardholder with the higher tier.
- If a Joint Cardholder with a higher tier is added to a Card account, it may take up to 30 days for the higher Preferred Rewards/Preferred Rewards for Wealth Management Bonus to become active on that Card.
- Your Preferred Rewards/Preferred Rewards for Wealth Management Program enrollment status and tier can change depending on the balance you maintain in your qualifying deposit/investment account(s).
- The Preferred Rewards/Preferred Rewards for Wealth Management Bonuses are calculated and awarded separately from any other Bonus Points or account-opening bonus, if applicable.

- This product is not eligible for benefits under the Preferred Rewards for Business program.

How the Preferred Rewards/Preferred Rewards for Wealth Management Bonus works

- If either the Primary Cardholder or Joint Cardholder on the account is enrolled in the Preferred Rewards/Preferred Rewards for Wealth Management Programs, the Preferred Rewards/Preferred Rewards for Wealth Management Bonus will be added as Bonus Points to the Base Points you earn with each \$1 spent on Net Purchases.
- The amount of Bonus Points you earn depends on your Preferred Rewards/ Preferred Rewards for Wealth Management Program enrollment status and tier at the time the purchase posts to your account as follows:
 - Gold tier (25% bonus earn rate): Earn 1.87 Points (.37 Bonus Points + 1.5 Base Points)
 - Platinum tier (50% bonus earn rate): Earn 2.25 Points (.75 Bonus Points + 1.5 Base Points)
 - Platinum Honors tier (75% bonus earn rate): Earn 2.62 Points (1.12 Bonus Points + 1.5 Base Points)
 - Preferred Rewards for Wealth Management (75% bonus earn rate): Earn 2.62 Points (1.12 Bonus Points + 1.5 Base Points)
- For example, if you earn 100 Base Points, the Preferred Rewards Bonus (based on your tier when the purchase posts to your account) will add 25, 50, or 75 Bonus Points, totaling 125, 150, or 175 Points.
- You will earn Preferred Rewards/Preferred Rewards for Wealth Management Bonus Points on travel and dining purchases as follows (depending on your tier at the time the purchase posts to your account):
 - Gold tier (25% bonus earn rate): Earn 2.50 Points (.50 Bonus Points + 2 Base Points) for every \$1 spent on travel and dining

- Platinum tier (50% bonus earn rate): Earn 3 Points (1 Bonus Point + 2 Base Points) for every \$1 spent on travel and dining
- Platinum Honors tier (75% bonus earn rate): Earn 3.50 Points (1.5 Bonus Points + 2 Base Points) for every \$1 spent on travel and dining
- Preferred Rewards for Wealth Management (75% bonus earn rate): Earn 3.50 Points (1.5 Bonus Points + 2 Base Points) for every \$1 spent on travel and dining
- For example, if you were enrolled in the Preferred Rewards Platinum tier (50% bonus earn rate) and your Net Purchases made for an eligible hotel transaction totaled \$100, you would earn 200 Base Points and 100 Preferred Rewards Bonus Points; totaling 300 Points.
